

Artist Statement;

"I explore limitless notion of lucid dreaming a state most people experienced, but find difficult to comprehend. Because it deals with the unconscious, there are scenarios that cannot be explained in a logical sense, events don't add up, characters are left unresolved"

Rene Cuvos

B. 1980 Manila, Philippines

Cavite Based Artist

Education:

Bachelor of Fine Arts

Major in Painting

Philippine Women's University

Manila, Philippines

2001
